	Recertification order	Re-assess patient 56-60 current episode	

**Other Tips:** Face to face or MD notes

You must have a HIPPA compliant encrypted email services

- All progress notes must document progress toward achievement of the goals, and measurable outcomes.
- All staff with ID badges
- Complete all Emergency tasks (Minutes-Safety) in May, before hurricane season (Table Top, Disaster Drill, Hazard vulnerability, etc.)
- **PRN** medications or orders MUST STATE REASON & Frequency.
- Be sure: Advanced Directives, Section 1557 pamphlet and during hurricane season the Guide is part of your admission package.
- Verify that Medication list collected match home and office record.
- Provide an Agreement Addendum (Can order from us), in any frequency change (Re-instatement, Re-cert, Mod. Order)
- Fax Transfer summary to physicians and hospital (proof)
- Fax D/C summary to all physicians involved with 5 days after D/C
- Hire a professional QA staff for chart audit, POC, etc.
